Ok. I just found out that Eric will not be available on the 7th, but that's OK, Howard and I will be there.
If they want to get into laboratory methodology/QA/QC I may bring our chemist (Mary Lou Fox) who is reviewing all of those elements, including their QAPP.

Hi Davis.

I'd like to bring in my Field Oversight Task Leader to this meeting – Howard Young who will be managing our field oversight staff and is a lead reviewer on many of the FSPs. Howard is located in our Bellevue office, so no travel is necessary.

Would also like to have Eric Blischke on the phone (call-in) during the meeting if possible.

Scott
